

2019 President's Letter

After celebrating yet another exciting run from our very own Philadelphia Eagles this postseason, I anticipate this February will end up feeling a bit colder than last year. Summer can't come fast enough where we can put our GREEN back on and head to Maple Manor Swim Club!

For those of you who do not know me, my name is Joe Curcio and, as of January 2019, I have the privilege of serving as the new Board President at Maple Manor Swim Club. As you know, **Suzanne Netter** served as the Board President for the last two years where she has done a remarkable job in maintaining a happy, clean and safe environment for our families, friends and staff at Maple Manor Swim Club. Suzanne has agreed to stay on the Board, so I look forward to continuing to work with her along with the rest of the Board of Directors. I have some big shoes to fill to say the least!

NEW MANAGEMENT

Another change that has taken place is that we have a new Management Team for the upcoming 2019 season. After eight (8) years of service as both our Swim Coach and Pool Manager, **Brandon Pierce**, has decided to focus his efforts as the Swim Coach at Maple Manor and resign as our Pool Manager in an effort to spend more quality time with his wife, Melissa, and their two young boys. On behalf of the Board, we want to thank Brandon for his service over his long tenure as Pool Manager. Fortunately, he will stay on as Head Coach so we can keep that winning streak alive!

I am happy to announce that we have secured a new Pool Manager for the foreseeable future in **Mike Koziol**. Mike has spent most of his adult life around a pool. Previously, Mike served as the Pool Manager at Beachcomber Swim Club in Blue Bell, PA for 3 seasons (2014 – 2016). Mike is currently the Assistant Director of Aquatics at Germantown Academy as well as the head coach of the boys' water polo team and the head coach for the middle school swim team. Mike also coaches for the Maverick Water Polo Club. He is a certified lifeguard instructor and a Certified Pool Operator (CPO). Please join me in welcoming Mike Koziol to Maple Manor Swim Club!

MEMBERSHIP DUES

We are happy to announce that we were able to keep most membership dues (except our "special membership" rate) consistent with last summer's rates.

POOL ENHANCEMENTS

While it is very important to us that we promote a clean and fun environment for everyone at the club, safety is our top priority. Toward the end of last summer, the club invested in two **new diving boards** that we installed in late August of last year. During the offseason, we also bought all **new lifeguard stands** in addition to many other cosmetic improvements around the club.

REGISTRATION INFORMATION

We are very excited for the 2019 season and hope you and your families will be returning to the club. Please look for a registration email in mid-February which will include a link to our registration page. This link will also be available on our website. Registration opens on March 1st. As in the past, a late fee will be assessed on April 15th. Please feel free to forward the registration email on to other families and friends who may consider joining Maple Manor.

PAYMENT CAPABILITIES: SNACK BAR / GUEST PASSES

This year, we are expanding our computerized capabilities by offering the option to make purchases at the snack bar through adding a pre-paid credit to your account. In addition, we will be offering the option to purchase your guest passes online. These online guest passes will be discounted as compared to purchasing at the front desk. More details on this will be released in the coming months.

ACT Days

In early spring, all Maple Manor members are welcome and encouraged to take ACTion to help the staff get the pool ready for the season before we open our doors on Memorial Day Weekend. This year's ACT Days will be held from 9am - 2pm on the following dates:

- Saturday, 5/4
- Sunday, 5/5
- Saturday, 5/11

We plan on setting up a SignUp Genius so it will be easier to sign up for a particular time and task during any one of the days listed above. Plus, it is a great way to get to know other members!
